Ride from Port Angeles to Sequim and back along the Olympic Discovery Trail as it winds through valleys and along the shore of some of the most beautiful scenery in the world. As the trail grows in length each year, so will the ride. *The trail is well groomed and maintained but mountain bikes or hybrid bikes are recommended. Road bikes will find some areas difficult.*

In order to open the ride to bicyclists of all levels of skill and age we have set up three ride lengths—10 mile, 25 miles and a **Metric Century** (60 miles). The 10 mile is nice and flat and easy, from Robin Hill Park to the Boys & Girls Club (stop for lunch) and back. The 25 mile is a little more challenging with a few hills, from Port Angeles to the Boys & Girls Club for lunch. We shuttle you in comfort back to PA to your vehicle. Or you can ride back to PA and make it a 50 mile ride. The Metric Century goes from Port Angeles to the Jamestown S'Klallam Tribal Center in Blyn, then back to the Boys & Girls Club for lunch then back to Port Angeles. The stop for lunch includes free entry into the OBA Raffle with some prizes from our sponsors. We even offer lunch to family or friends who do not want to ride but participate in the lunch-time frivolity for \$7.00.

A multi-length fully supported fun ride for the whole family!
Only \$50 each and 12 and under \$25 each. Includes continental breakfast and a fabulous lunch and also includes a unique t-shirt*. ----- Early Bird discount - \$40 if registered by July 15th.

NEW START TIMES!!!! The ride starts at 8 a.m. in Port Angeles, and 11 a.m. at Robin Hill (see web site for directions and map)

All proceeds to benefit: Boys & Girls Clubs Foundation of the Olympic Peninsula, Sequim Sunrise Rotary Projects and Port Angeles Recreation Dept.
